'Hanging out the Washing on the Poverty Line'

Invitation to Seminar

- *30% of the population in material deprivation*
- *12% child poverty*
- *bottom 10% of the population living with a 22% contraction in their income against a national average of 13%*

Stark as these statistics are they don't really convey the hardship and misery that poverty has on those who experience it. Nor do they truly reflect the effect of poverty on personal health, well-being, childhood development, life expectations and self-worth.

South Dublin Community Platform invites you to its seminar focusing on the voices of those experiencing poverty in the county. The event will also seek to change policies, attitudes and structures, claim human rights and reclaim human dignity.

Date: Monday, 7th December 2015

Time: 1.45pm to 4.30pm

Venue: Louis Fitzgerald Hotel, Naas Road, Dublin 22.

RSVP to telephone: 01-4627149 or email: info@sdcp.ie before Wednesday, 2nd December
